ASCEND YOUTH & YOUNG ADULT MINISTRY

- the official Youth & Young Adult Ministry for the Diocese of Waterford & Lismore

Hi! My name is Nodlaig Lillis and I began working as Diocesan Youth & Young Adult Ministry Officer in September 2020. I am a native of the Cloyne Diocese and have been involved in youth ministry for over 20 years. My background is teaching, and I spent over 19 years teaching Religious Education and English in Doneraile, Co. Cork.

I have a Diploma in New Evangelisation and Youth Ministry, as well as a Certificate in Studies in Catechism of the Catholic Church from Maryvale Institute. My previous experience in ministry spans from serving as Extraordinary Minister of the Eucharist and Minister of the Word in my own parish, delivery of Sacramental Preparation Programmes for Children and their parents, Music Ministry, being a Youth 2000 Prayer Group leader, and also Parish Web design and Social media. A former Munster Regional Leader with Youth 2000, I was very also involved in the areas of Music Coordination and PR. I had the privilege of working for four years on "Teen Spirit: A Celebration of Teen Talent and Christian Faith" in the Kerry Diocese, and for the past fourteen years I've really enjoyed worked extensively with Summer Faith Camps in Ardmore, Dungarvan and Tramore, as well as in the Cloyne, Limerick and Kerry Dioceses, including producing an online Campa Mhuire Mháthair in July and December 2020.

Currently my work in Ascend Youth & Young Adult Ministry involves producing **free weekly To the Heights newsletters & resources** for youth groups & RE classes (as well as the **Faith@Home family newsletter** and **"Check it out" E-events Bulletin**; managing our **Ascend online presence**; coordinating the **Pope John Paul II Awards**; running **young adult events** such as Encounter; planning **pilgrimages and retreats**; being involved with **Cherished Women's Ministry**; running **faith development courses** on Zoom for young adults (and Pope John Paul II students in the coming months); and am currently developing a **three year strategic plan for youth & young adult ministry** in the diocese with our wonderful Strategic Team! A priority in this strategic plan is supporting our RE teachers and schools through **REnewal** Conferences and workshops, something very close to my own heart!

ASCEND STRATEGIC PLAN FOR YOUTH & YOUNG ADULT MINISTRY LAUNCHING BY JANUARY 2023!

POPE JOHN PAUL II AWARD

What is it?

The Pope John Paul II Award was created to commemorate the late Pope Saint John Paul II who was so committed to young people and who had such belief and confidence in them.

The Pope John Paul II Award enables young people in the Diocese of Waterford & Lismore to take an active part in the life of their Church – in the life of their community and society. It enables young people to become more aware of the teaching and role of the Catholic Church in the world, and to engage at a deep level with Christ.

The Award is committed to helping young people enhance their spiritual, physical, emotional and social development through participation in school, Parish, and community activities.

How does it work?

- There are 4 Awards – Gold, Silver, Bronze and the Papal Cross.
- Awards are earned by taking part in *Parish Involvement, Social Awareness*, and preparation of a *Reflection*.
- The Papal Cross can only be undertaken by those who have achieved the Gold Award and requires a project rather than a reflection.

Who is the Award for?

- Anyone from the *age of 16 - 18* inclusive in 4th, 5th or 6th year, or not in post-primary education.
- The Award is non-competitive, flexible and voluntary and requires an ongoing commitment.

KENYA TWINNING PROJECT

On Monday 18th July, a small group from Waterford and Lismore Diocese arrived back in Ireland from a trip to Kenya. Five of us had gone out, two secondary school teachers, the Diocesan Advisor for Secondary Schools, the Director in Ireland for the charity Mary's Meals and myself, setting off early Monday morning the 11th July for Nairobi, Kenya. The purpose of our visit was to create a missionary outreach for the Diocese. In Bishop Michael Russell's time there was a very vibrant mission to Kitui in Kenya and the parish of St. Joseph and St. Benildus also currently has a mission in Kenya. The Secondary School teachers travelled because it was a personal dream come true for them and they wanted to bring their personal experience of Africa to their own students, creating links between schools, which would be of mutual benefit to schools in Kenya and here in the Diocese.

After a brief time in Nairobi, we travelled to Eldoret and visited some schools there. Most of our time was spent in Northern Kenya in Turkana and the Diocese of Lodwar. This is an arid and desert area where there has been no rain for three years. Life is lived at a very basic level, many live in poverty. Putting food on the table is a constant struggle. The provision of water is a never-ending battle with some who travel several kilometres and back, bringing the precious commodity in plastic oil drums on motor bikes, bicycles, or on foot.

We saw at first hand, the work of the charity called Mary's Meals, which has a very simple philosophy - feeding children in school - children who would not get a meal at home every day and whose parents did not have the means or energy to feed them or send them to school on a regular basis. The provision of a meal in school each day ensures that they get fed and receive a basic education at the same time. The food is sourced locally as much as possible and is cooked and served by local volunteers, mostly mothers. Mary's Meals currently feeds almost 2.5 million children daily and is giving hope to many.

In spite of all this poverty, we were met with a welcome the like of which we had never experienced. The sheer simplicity, humanity and joy of the local people touched us all. From the little they had they gave us gifts of traditional cloaks, straw hats and baskets and even an occasional goat.

At all the Eucharistic celebrations which we attended, the singing and dancing were uplifting and were something which we had never experienced before. At our last Mass on July 17th to a full Lodwar Cathedral there was no need for the priest to say "Lift up your hearts", that was quite superfluous.

It is our hope to build on our Kenyan experience. The Secondary School teachers desire to create a twinning of schools in Lodwar and here in the Diocese. Perhaps parishes here in Waterford and Lismore could link with a parish in Lodwar, not to be simple benefactors of a poorer people but very much as a relationship of equals, some with more material goods, others more spiritually rich.

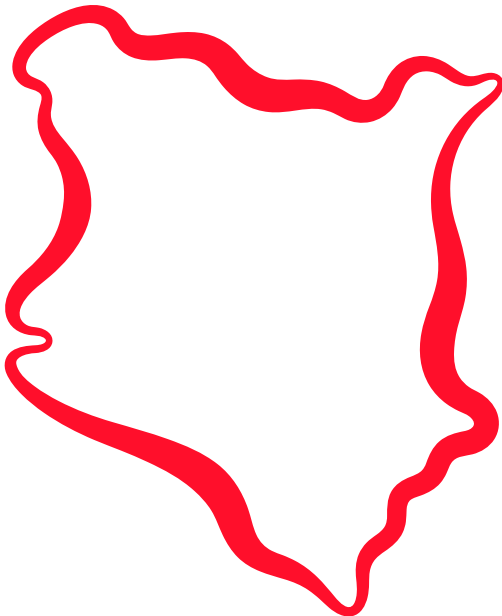

The work of Mary's Meals too is a charity really worth supporting and all of our group saw the good fruits being produced by this organisation. We visited Nairobi on our last day. This bustling city was in stark contrast to Turkana.

We saw slums where millions live. While apartheid was something associated exclusively with South Africa, it also existed in other parts of Africa including Kenya. There are parts of Nairobi today which still bear the effects of class distinction where some people are treated as second-class citizens because of their skin colour.

But there is much hope too. On our last day in Kenya our group visited Strathmore University in Nairobi which is one of the top academic institutions in all of Africa, forming students not only academically, but in terms of character, creating a new generation which will inspire native Kenyans to develop all the riches of their wonderful country.

Before we travelled to Kenya, we had been told of the work done by Irish Religious and Priests. We saw evidence of this everywhere we went. The Irish men and women who went over to Kenya as part of the SMA Fathers, the Loreto Sisters, the Ursuline Sisters, the Spiritan Fathers, the Sisters of Mercy, the Kiltigans, the Sisters of the Holy Rosary, the Franciscan Sisters, etc. founded schools, hospitals, clinics, care centres and dedicated their lives to building up a country which was not their own and yet became, for them, their life's mission to see flourish.

During our week in Kenya, we visited about twenty schools and it is our group's desire that we will play our part in reaching out to those less fortunate and yet who can teach us so many things.

PRAYER SPACES

OUR DIOCESAN STARTER PACK IS DESIGNED TO GIVE YOU IDEAS AND THE RESOURCES NEED TO TRY OUT PRAYER SPACES IN YOUR SCHOOL.

- Prayer Spaces are a creative and interactive way to help children, young people and even adults to reflect and pray in a different way than they may be used to, giving them an opportunity to reflect on life's big questions and explore their faith in a new, personal and safe way.
- Prayer Spaces are often used as part of the Holy Spirit Retreat Day during an Alpha programme, but can be used at any time of the year, in a school or even a parish setting. With hundreds of tried and tested possibilities, themes and methods, prayer spaces can be tailored for a classroom experience, a retreat day, a dedicated week set-up... the possibilities are endless!
- Students and staff can encounter faith through experiencing the prayer spaces themselves, or can also run the experience for other groups e.g. primary schools, junior classes, Nursing Homes, their parish.

For more ideas and information about Prayer Spaces in Schools and the 24-7 Prayer Project check out <https://prayerspacesinschools.com/about/>

ALPHA YOUTH

INVITE A GENERATION TO EXPLORE LIFE, FAITH, AND MEANING.

Alpha Youth is a 9-week series that creates a space where young people will be excited to engage in conversations about faith.

Why run Alpha Youth?

In these challenging days, young people are asking big questions about life and meaning. Create an online space for them to wrestle with their big questions. Help them connect with each other and with God. Give them a place to turn to for answers.

How does it work?

- **Hospitality:** Build a deeper sense of community in each session, with important time for games, fun and food. Whether in person over pizza or virtually with a cup of tea, all sessions start with a time to connect, build friendships and have fun.
- **Watch an Episode:** Access the entire 13 episodes of the Alpha Youth Series for free. Each episode explores a different topic of the Christian faith with humour and insight. Challenge your young people to unpack the basics of the Christian faith.
- **Discussion:** Based on an easy-to-use interactive format, there is a discussion guide to help take conversations even deeper. There are also loads of simple ideas for anyone to host a dynamic small group discussion.

For more information about Alpha Youth go to <https://alphaireland.org/alpha-youth> or contact gerard.hanley@alphaireland.org or Sr Kathryn Press: waterford@ascjus.org

GIDEONS BIBLES

The Gideons International (Ireland)

The Gideons International was founded in 1899 in the USA and now operates in 200 countries worldwide. Over 2 billion scriptures have been distributed. We have been in Ireland since 1963 where over 1/4 million bibles have now been distributed. We distribute God's word in the traffic lanes of life in hotels, schools, prisons, military, hospitals free of charge. Each year we visit secondary schools with a copy of the New Testament plus Psalms and Proverbs from the Old Testament for every 1st year student who wants them.

YOU CAN NOW DOWNLOAD THE GIDEONS BIBLE APP

For more information about Gideons International or to find out how to avail of free Gideons Bibles for your first years, go to <https://gideons.ie/schools.html>

ST DECLAN'S WAY CAMINO

- After a great success of our St Declan's Way walk last year with 220 students walking 20km in aid of Mary's Meals from across 4 secondary schools, we are hosting three different walks over the course of this academic year.
- The idea is to build a vibrant Diocesan school community by bringing different schools together: to walk, share, have fun and to carry our own prayer intentions along the Pilgrim path of St Declan's Way.

First Walk: Before October midterm break / Second Walk: Before February midterm break / Third Walk: Before Summer break

MUSIC CONTEST

- It is intended to host Christian Music contest across different schools in the diocese.
- **Phase 1:** Regional contest
 - 1. Waterford City / Tramore Post-Primary Schools
 - 2. Dungarvan/Lismore Schools
 - 3. Clonmel/Cahir/Carrick-on-Suir schools.
- Winner of each region goes through to **finals held Easter 2023.**
- More information to be given over the next Month.

For more information about either of these projects contact Declan Browne: postprimary@waterfordlismore.ie

BOTH INITIATIVES ARE INTENDED AS FUNDRAISERS FOR MARY'S MEALS.

- Mary's Meals are a no-frills charity with a simple idea that works: by providing one good meal in a place of learning, children are drawn into the classroom where they can receive an education that could one day free them from poverty.
- €18.30 is all it costs to feed a child for a whole school year.
- **Little Acts, Big Difference** is a youth programme – made up of six modules – that introduces the life-changing work of Mary's Meals and invites you to become a part of this vibrant global family. Through short films and stories, you'll be transported to different countries and meet some of the amazing people who are working together to realise Mary's Meals' vision that every child receives one daily meal in their place of education.
- You'll also hear from some children who receive Mary's Meals in school and see that, while they are often facing many obstacles, their lives are being improved through community action and education.
- Just go to: <https://www.marysmeals.ie/littleacts> to sign up and receive:
 - A teacher/youth leader guide, with six lesson plans
 - Complementary resource containing excerpts from the bestselling book *The Shed That Fed A Million Children*
 - Certificate to present to those who complete the programme
