

SALT AND LIGHT

"All the darkness in the world cannot extinguish the light of a single candle."
St. Francis of Assisi

CAN YOU THINK OF SOMETHING UNEXPECTED THAT PUT YOU IN A GOOD MOOD?

WHAT DOES THE PHRASE "SALT OF THE EARTH" MEAN TO YOU?

WATCH THIS VIDEO FROM FR. MARK MARY CFR "LIVING AS SALT OF THE EARTH" AND REFLECT ON THE QUESTIONS THAT FOLLOW

Where does Fr Mark Mary's story take place?

What were the three friars in the kitchen doing?

What was the heroic act of charity the first friar did? What did he sacrifice?

How did that friar's act of charity affect Fr Mark Mary?

How was the third friar inspired by their actions?

More than just breakfast, what did the guest in the friary receive that morning?

Fr Mark Mary said this was an example of how to be Christian, how to be leaven, salt and light.
What kind of lesson do acts of charity and sacrificial love like this teach the world?

BE THE LIGHT

CHOOSE JOY

MATTHEW 5:13-16

What challenge, or "right struggle" does he encourage us to take on this week?

Even if our acts don't set other acts in motion, what can we take consolation in with God?

LET YOUR LIGHT SHINE BEFORE OTHERS, THAT THEY MAY SEE YOUR GOOD DEEDS AND GLORIFY YOUR FATHER IN HEAVEN.

Now Read Matthew 5:13-16

Salt of the earth, light of the world... if you're like me, you've heard these phrases again and again. What do they really mean though? What relevance do they actually have for our lives today? We have lots of other flavours and other ways of preserving meat apart from salt. We don't live in darkness either. We even have flashlights on our phones; we're not just relying on little candles or oil lamps these days.

There's a great scene in The Chosen series where Jesus explains to a confused Matthew what his salt metaphor means: "Salt preserves meat from corruption; it slows its decay. I want My followers to be a people who hold back the evil of the world. Salt also enhances the flavour of things. I want My followers to renew the world and be part of its redemption. Salt can also be mixed with honey and rubbed on the skin for maladies. I want My people to participate in the healing of the world, not its destruction." That's the kind of salt I want to be! There's a lot more going on than just adding flavour to chips! What about light? Light reveals, shows us what is real and true, comforts and guides. When we are baptised, we receive the light of Christ. Let's not hide it under a tub but let it shine for all to see!

MISSION!

BE ON THE LOOKOUT THIS WEEK FOR INTENTIONAL WAYS TO BE THE SALT OF THE EARTH AND THE LIGHT OF THE WORLD! MAYBE IT'LL MEAN SACRIFICING A TREASURED CUP OF COFFEE, LIKE THE FRIAR IN THE SOUTH BRONX. MAYBE IT'LL MEAN GIVING UP TIME OR ENERGY TO HELP SOMEONE ELSE. MAYBE IT'LL MEAN WORDS OF ENCOURAGEMENT, OFFERING A PRAYER FOR SOMEONE, BRIGHTENING SOMEONE'S DAY.

PRAYER TIME!

Jesus, You call me to be salt and light, to bring your healing, your goodness, and your truth to this world. Show me what I need to do and how to bring your love to others. Let me not rely on my own strength, but rather on your light and love in me. Amen
