God sees the Little Sparrow Fall

Can you find all 20 little sparrows on this Page?

Let's act!

God cares about even the little sparrows - but He cares even more about you! Every time you see a little bird this week, remind yourself (and your family!) that God knows you and God loves you! Set a challenge to see who can notice the most little birds and remember to think about God's love for you!

"every hair on your head has been counted..."

Word of God!

God sees the little sparrow fall,
it meets his tender view;
if God so loves the little birds,
I know he loves me too.
