Let's PRAY

O Sacred Heart of Jesus I place all my trust in you! Amen

Let's act!

The mustard seed is a TINY seed! Smaller than a grain of rice! And yet Jesus says that great things can come of it. This week try to do lots of little random acts of kindness for your family - small acts can show big love and help your faith grow!

"It is good to give you thanks, O Lord."

Word of God!

This is what the kingdom of God is like. A man scatters seed on the ground. Night and day, whether he sleeps or gets up, the seed sprouts and grows, though he does not know how.

Mark 4: 26-27

Draw some flowers growing from the seeds in the soil and colour in the whole picture!
