### Let's PRAY

When I am afraid  
Jesus, I will trust  
in You. Amen!

### Let's act!

Can you imagine how scared Jesus' friends were on the boat with a storm all around them? Then how happy they were when he calmed the storm? If anything worries you this week, say a prayer to Jesus and He will calm your fears and worries too!

© give thanks to the Lord, for his love endures for ever.
