HIS WORD & MY LIFE!

When Jesus told his disciples no less than five times in the John 6 discourse that He is the Bread of Life, that His flesh is real food and His Blood is real drink many walked away, they said the teaching was too hard. Fr Mike reminds us in his video that it is a difficult teaching, unless you're one of the disciples who witnessed what they just witnessed. They knew Jesus claimed to be the Son of God and had seen him back this up with miracles. They had just witnessed him feed 5000 men (not to count women and children) with just five loaves and two fish the previous day, so they knew he had the power to do what he wanted with food. The previous night, just hours earlier, he had walked to them across the lake, 3 - 4 miles just walking on water, so they knew he had the power to do what he wanted with His own body too.

We didn't witness these miracles but we have the benefit of knowing that Jesus died and rose from the dead, that He ascended into Heaven. We know that Jesus claimed to be the Bread of Life, that He promised to be with us at every Mass and to be present in the hosts in every tabernacle in every Catholic Church in the world for all time. Are we being as present to Jesus as He is to us? Are we asking for the grace to see and hear Him with the eyes and ears of faith, to open our hearts fully to him? Let's pray for that grace today!

Can you explain how any four of these words relate to the message of the Gospel?

What do you think God could be saying to you in this Gospel? What speaks to your heart? Maybe it raises questions, maybe it's a little uncomfortable, maybe it offers hope... what matters is that we are open to hearing God speak to us individually.

RESPOND!

DOODLE PRAYER

Reflect on the scripture quote and allow thoughts and images that come to you to form part of your doodle prayer: it could be people or situations that need prayer or even areas you might need to change in. Certain words or phrases might stand out for you. Ask the Holy Spirit to guide your heart as you pray and doodle!

"I am the living bread which has come down from heaven."

SPONTANEOUS WORSHIP | TWO HOURS OF WORSHIP PIANO

“Since Christ Himself has said, ‘This is My Body,’ who shall dare to doubt that it is His Body?”
St Cyril of Jerusalem

HE IS WHO HE SAYS HE IS

WHO KNOWS YOU THE BEST?

Think about your friends and family - who would you say really knows you the best? How do they know you so well??

WATCH FR MIKE SCHMITZ' VIDEO: "THE DISCIPLES DOUBTED THE EUCHARIST. DO YOU?" AND REFLECT ON THE QUESTIONS THAT FOLLOW:

• Fr Mike reminds us that at times we can be blind to _____ and to _____ and deaf to _____.

• Sometimes we're not actually deaf or blind but instead we _____ not to hear or see.

• What two major miracles did Jesus work in the 24 hours before He gave the "Bread of Life Discourse"?

• How many times did Jesus make the point in John 6 that He is the Bread of Life, that his flesh is real food and his blood is real drink? 1 3 5 7

• What was the reaction of some of the disciples to this teaching?

• How do you respond to their reaction?

• Why does Fr Mike explain that this wasn't a hard teaching for those who were his disciples: What had they already experienced with Jesus?

• **Deeper reflection:** how does the parable of Lazarus and the Rich Man relate to how Jesus responded to the disciples after this teaching? Who and what was that parable referencing?

He is who he says He is

The Eucharist is what Jesus says the Eucharist is. What more does He have to do to prove to us that He's reliable, that He's telling us the truth and that the Eucharist really is the very Body and Blood, Soul and Divinity of Jesus Christ Himself?

- Fr Mike Schmitz -

OVER TO YOU:

- Where are you personally with a belief in Jesus' presence in the Eucharist? Do you struggle?
- Have you ever asked Jesus to let you feel His presence? Have you spent time in His presence at Adoration or even just in front of the Tabernacle? This might be exactly what Jesus is calling you to do right now!
