What's that word?

Do you know that the long, narrow band of fabric, worn around the priest's neck and hanging down in front of the priest's chest is called a **STOLE**? It's a symbol of priestly authority. It matches the colour of the liturgical season? For confession, a priest usually wears a purple stole!

Let's PRAY

Dear Jesus,
 I give you my heart
 and all that I am.
 Amen!

Let's act!

The widow in today's Gospel gave all that she had to God. She knew He would look after her. Is there something you can go without this week, like a bar of chocolate, or a fizzy drink, and offer the money in the church collection or to charity instead?

Word of God!

My soul, give praise to the Lord!

"...she from the little she had has
put in everything she possessed,
all she had to live on."
