Find your way through the maze to light the first Advent candle!

Start here!

## Let's act!

Today we light our first Advent candle - that means Christmas is not very far away! How can you be a light this week? Can you make an extra effort to smile when you feel like being grumpy, or to help others when you'd prefer to play games?

## Let's Pray

Dear Jesus, I am so excited for Christmas!  
Help me to make this my best Advent ever! Amen
