## OUR ADVENT CANDLES

So far we have lit 2 purple candles. Do you know why purple is the Advent colour? It's a symbol of penance, sacrifice, and prayer as we prepare for Christmas. We light 3 purple and 1 pink candle.

## Let's act!

Today we light our second Advent candle - that means Christmas is getting closer! How close is your heart to Jesus' heart? Are you spending time each day talking and listening to Him? The presence of Jesus in our hearts is greater than any present we could get!
