Let's PRAY

Jesus, it's not easy to love our enemies or pray for those who make life hard for us. I need your help with this one. Please bless my heart and make it loving like yours. Amen

My Saint Friends

Month of February is dedicated to the Holy Family!

O Holy Family of Nazareth, please protect and bless my family. Amen!

Let's act!

Jesus asks us to do a lot of hard things in this Gospel, but that's because He wants us to love others like He loves us. Is there someone you find it hard to like? Can you pray especially for them this week?

Word of God

The Lord is compassion and love.
