The Annunciation

When the Archangel Gabriel visited Mary and asked her to be the Mother of Jesus, she answered "Fiat" (a whole-hearted yes!) As you colour it in, say your own yes to God too in your heart!

Let's act!

Fiat

What kind of things do plants need to grow? Good soil, water, sunshine... our souls need help to grow too: prayer, helping others, loving God - these all help us to grow! Say an extra prayer every day this week asking Jesus to help your heart grow in love for Him this Lent!

Word of God The Lord is compassion and love.

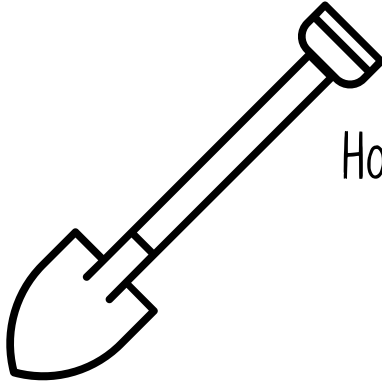

Luke 13:1-9

WHAT CAN WE DO TO GET CLOSER TO JESUS?

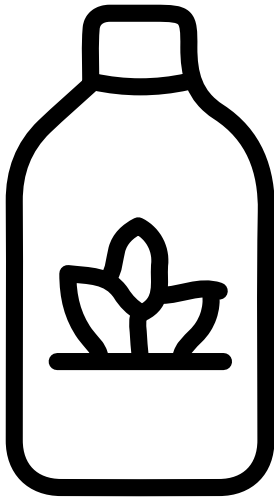

(like the gardener helps the fig tree to bear fruit!)

Write your ideas or draw some pictures!

DIGGING THE GROUND:

How can we make more time in our lives for Jesus?

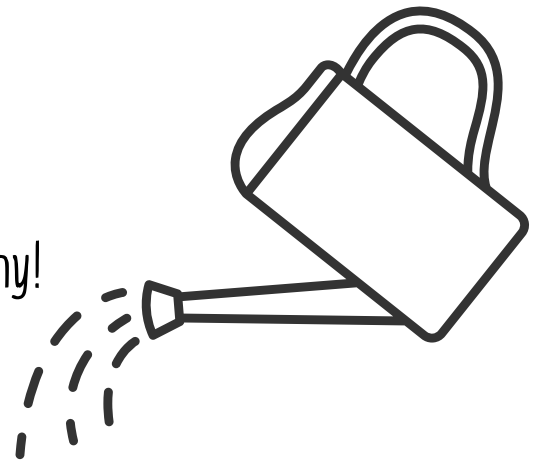

ADD FERTILISER:

What can we do to feed our faith and let it grow?

ADD WATER:

Prayer will keep our faith alive and healthy!

PULL UP WEEDS:

What kind of things stop us from being like Jesus?
