## Let's act!

How are your Lenten promises going? It's ok to start again any time you need to - the important thing is to keep our focus on Jesus and ask him to change our hearts this Lent!

Jesus teaches us in this parable that God is always waiting to forgive us - we just need to turn back to Him! If you've made your first confession, make sure to go to Confession during Lent. If you haven't made your first confession, you can still tell God in your heart that you're sorry and try not to sin again!
