DOWN TO THE APOSTLES

PRAY

Come Holy Spirit, fill the hearts of your faithful and kindle in them the fire of your love. Send forth your Spirit and they shall be created. And You shall renew the face of the earth. What an incredible journey the Apostles were on since Holy Week! Palm Sunday and Jesus' triumphant entry in Jerusalem, swiftly followed by His arrest, torture and death on the Cross: all seemed hopeless. Then within days, Jesus had risen from the dead and walked among them once more! 40 days of appearances as He continued to teach and strengthen their faith, and then He was gone at the Ascension, promising to send them the Advocate. They gathered fearfully in the Upper Room on the eve of the feast of Pentecost, until they were filled with power from on high and a courage so intense it drove them immediately to the streets of Jerusalem, proclaiming the Good News without any fear of arrest or persecution! This same courage continued to guide their ministry even to a martyr's death for all bar John, who died later in prison. This same courage ensured that the Church was founded, and continues to this day. This same courage is available to all believers through the power of the Holy Spirit. Imagine what your life could be like if you opened your heart fully to the guidance of the Holy Spirit. Imagine all those fruits of the Spirit made manifest in your life! Ask the Holy Spirit to come to you and fill you anew!

Reflect on the scripture quote and allow thoughts and images that come to you to form part of your doodle prayer: it could be people or situations that need prayer or even areas you might need to change in. Certain words or phrases might stand out for you. Ask the Holy Spirit to guide your heart as you pray and doodle!

"...the Holy Spirit... will teach you everything and remind you of all I have said to you"

RESPOND:

Can you explain how any four of these words relate to the message of the Gospel?

What do you think God could be saying to you in this Gospel? What speaks to your heart? Maybe it raises questions, maybe it's a little uncomfortable, maybe it offers hope... what matters is that we are open to hearing God speak to us individually.

ICEBREAKER

Fruit Salad! Form a circle of chairs that is one chair fewer than a total number of players. One player stands in the middle. Each player in the circle is assigned a particular fruit (choose 3/4 fruits). The player in the middle calls out a fruit. If (s)he calls out apples, everyone who is that fruit must get up quickly and change places. They cannot sit on the seat directly beside them, or go back to their own seat. The person who is 'in' tries to sit in an empty spot while players are swapping. Whoever is left without a chair is now in the middle. The person in the middle can also call **'fruit salad'** and everyone gets up to change places!
