Catholic Diocese of Waterford and Lismore – Parishes Trust TRUSTEES' ANNUAL REPORT

for the financial year ended 31 December 2023

The Trustees present their Trustees' Annual Report, combining the Directors' Report and Trustees' Report, and the audited financial statements for the financial year ended 31 December 2023.

The financial statements are in line with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" adopting Section 1A of that Standard and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) known as the SORP (2018) which became applicable for accounting periods commencing on/after 1 January 2019.

The Trustees' Report contains the information required to be provided in the Trustees' Annual Report under the Statement of Recommended Practice (SORP 2018) guidelines. The Trustees of the Charity are also Charity Trustees for the purpose of Charity Law and under the Charities Constitution are known as Members of the Board of Trustees.

In this report the Trustees of Catholic Diocese of Waterford and Lismore – Parishes Trust present a summary of its purpose, governance, activities, achievements and finances for the financial year 2023.

Mission, Objectives and Strategy

Mission Statement

The Catholic Diocese of Waterford and Lismore – Parishes Trust is constituted by a Deed of Trust.

The Charity's Deed of Trust states that the purpose of the Catholic Diocese of Waterford and Lismore – Parishes Trust is 'the advancement of the Catholic religion in the Diocese and the advancement of charitable purposes congruent with the advancement of religion and which are supported by the Church throughout the world or in any part of the world'.

Objectives

In furtherance of the main charitable purpose of the Diocese, the Diocese promotes the advancement of religion by enabling the Bishop to fulfil his Canon Law responsibilities in relation to the advancement of maintenance of the Catholic religion in any way which he considers appropriate.

That includes, but not limited to; advancement of religion, advancement of education, provision of Priests and other clergy, promotion of Catholic ethos in all walks of life, relief of poverty, and, provision of physical infrastructure including but not limited to Churches, Parish Centres, Schools, Hospitals, Hostels for the homeless, places of Accommodation, Cemeteries and Office premises whether directly or through any other charitable body or company and to encourage promote, set up and support activities, building, institutions, and services of a pastoral kind and nature in the Diocese.

Structure, Governance and Management

Structure

The Catholic Diocese of Waterford and Lismore – Parishes Trust (the "Charity") is an unincorporated body which deals with the administrative and financial management of the 45 Parishes of the Diocese. The Charity is registered with the Charities Regulatory Authority (No. 20016142) and is also recognised by the Revenue Commissioners as have Registered Charity Status (No. CHY.7421).

Governance and Management

The Diocese is governed by the Bishop. In the exercise of his authority, the Bishop is subject to the provisions of the Code of Canon Law.

The financial affairs of the Diocese and its constituent entities are run by the Diocesan Finance Committee which comprises the Bishop, members of the Clergy and voluntary lay members. Meetings of the Finance Committee are held on a regular basis throughout the year. Day to day management of the financial affairs of the Diocese of Waterford is delegated to a management team by the Bishop.

The members of the Finance Committee having responsibility for and are aware of the risks associated with the operating activities of the Diocese of Waterford. They are confident that adequate systems of internal control are in place and that these controls provide assurance against such risks. The internal control systems aim to ensure compliance with laws and policies, ensure efficient and effective use of the Diocese of Waterford resources, safeguard assets and maintain the integrity of financial information provided.

INDEPENDENT AUDITOR'S REPORT

to the Members of Catholic Diocese of Waterford and Lismore – Parishes Trust

Report on the audit of the financial statements

Opinion on the financial statements of Catholic Diocese of Waterford and Lismore – Parishes Trust

In our opinion the non-statutory consolidated financial statements:

- give a true and fair view of the state of the affairs of the Charity as at 31 December 2023 and of its incoming resources and application of resources, including its income and expenditure for the financial year then ended; and
- have been properly prepared in accordance with the relevant financial reporting framework.

The financial statements we have audited comprise:

- The Statement of Financial Activities
- The Balance Sheet
- The related notes 1 to 18, including a summary of significant accounting policies as set out in note 2.

The relevant financial reporting framework that has been applied in the preparation of the consolidated financial statements in FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council ("the relevant financial reporting framework").

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are described below in the "Auditor's responsibilities for the audit of the financial statements" section of our report.

We are independent of the Charity in accordance with ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Charity's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charities ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Charity with respect to going concern are described in the relevant sections of this report.

Other Information

The Trustees are responsible for the other information. The other information comprises the information included in the Annual Report and Financial Statements, other than the financial statements and our Auditor's Report thereon. The Charity is responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT

to the Members of Catholic Diocese of Waterford and Lismore – Parishes Trust

Respective responsibilities

Responsibilities of Trustees for the financial statements

As explained more fully in the Trustees' Responsibilities Statement, the Trustees are responsible for the preparation of the financial statements that give a true and fair view, and for such internal control as the Charity determine are necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, if applicable, matters related to going concern and using the going concern basis of accounting unless the Charity either intends to liquidate the Charity or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Further information regarding the scope of our responsibilities as auditor

As part of an audit in accordance with ISAs (Ireland), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Charity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Trustees.
- Conclude on the appropriateness of the Trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the business activities within the group to express an opinion on the financial statements. The group auditor is responsible for the direction, supervision and performance of the group audit. The group auditor remains solely responsible for the audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Catholic Diocese of Waterford and Lismore – Parishes Trust

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

1. GENERAL INFORMATION

Catholic Diocese of Waterford and Lismore – Parishes Trust is a Trust which deals with the administrative and financial management of the 45 parishes of the Diocese to promote the advancement of the Roman Catholic religion by enabling the Bishop to fulfil his canonical responsibilities. The Diocesan Office is located at Bishops House, John's Hill, Waterford. The nature of the Charity's operations and its principal activities are set out in the Trustees' Report. The financial statements have been presented in Euro (€) which is also the functional currency of the Charity.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Charity's financial statements.

Basis of preparation

The financial statements have been prepared on the going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP 2018) "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2018)" adopting Section 1A of that standard.

The Charity has applied the Charities SORP 2018 on a voluntary basis as its application is not a requirement of the current regulations for Charities registered in the Republic of Ireland.

Statement of compliance

The financial statements of the Charity for the financial year ended 31 December 2023 have been prepared on the going concern basis and in accordance with the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2018)" adopting Section 1A of that Standard.

Cash flow statement

The Charity has availed of the exemption in FRS 102 – Section 1A from the requirement to produce a cash flow statement because it is classified as a small Charity.

Fund accounting

The following are the categories of funds maintained: General funds are unrestricted funds that are available for use at the discretion of the Diocese in furtherance of the general objectives of the Charity and which have not been designated for other purposes. However, whilst these funds are unrestricted, they include amounts which have been invested in fixed assets and cannot therefore be realised without undermining the ongoing work of the Diocese. Such funds have been separately disclosed on the face of the Balance Sheet.

Restricted funds

Restricted funds represent income received which can only be used for particular purposes, as specified by the donors. Such purposes are within the overall objectives of the Charity.

Unrestricted funds

Unrestricted funds consist of General and Designated funds.

- General funds represent amounts which are expendable at the discretion of the board, in furtherance of the objectives of the Charity.
- Designated funds comprise unrestricted funds that the board has, at its discretion, set aside for particular purposes. These designations have an administrative purpose only, and do not legally restrict the board's discretion to apply the fund.

Catholic Diocese of Waterford and Lismore – Parishes Trust

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

Income

Income resources are included in the Statement of Financial Activities in the period in which the Charity is entitled to receipt and the amount can be measured with reasonable certainty. Income from Parochial activities, including contributions towards the fund for sick or retired priests, and other voluntary donations, offertories and collections are recognised on a receipts basis. Income from investments and the Revenue Commissioner's charitable donation tax refund scheme is recognised on an accruals basis.

Income from charitable activities

Income from charitable activities includes income earned from the supply of services under contractual arrangements and from performance related grants which have conditions that specify the provision of particular services to be provided by the Charity. Income from government and other co-funders is recognised when the Charity is legally entitled to the income because it is fulfilling the conditions contained in the related funding agreements. Where a grant is received in advance, its recognition is deferred and included in creditors. Where entitlement occurs before income is received, it is accrued in debtors.

Grants from governments and other co-funders typically include one or more of the following types of conditions:

- Performance based conditions: whereby the Charity is contractually entitled to funding only to the extent that the core objectives of the grant agreement are achieved. Where the Charity is meeting the core objectives of a grant agreement, it recognises the related expenditure, to the extent that it is reimbursable by the donor, as income.

- Time based conditions: whereby the Charity is contractually entitled to funding on the condition that it is utilised in a particular period. In these cases the Charity recognises the income to the extent it is utilised within the period specified in the agreement.

In the absence of such conditions, assuming that receipt is probable and the amount can be reliably measured, grant income is recognised once the Charity is notified of entitlement.

Grants received towards capital expenditure are credited to the Statement of Financial Activities when received or receivable, whichever is earlier.

Expenditure

Resources expended are included in the Statement of Financial Activities on the basis of the amounts payable for work done and services provided in the year.

Costs of activities in the furtherance of the Charities objectives consist of all expenditure directly relating to the objectives of the Diocese.

Costs of generating funds comprises expenditure incurred by the Charity in encouraging others to make contributions to it.

Investments

Realised and unrealised gains and losses on investments are charged or credited to the Statement of Financial Activities.

Investments held as fixed assets are stated at current valuation with unrealised gains and losses being calculated as the movement in market value during the year. Income from other financial fixed asset investments is recognised in the Statement of Financial Activities in the year in which it is receivable.

Recognition of liabilities

Liabilities are recognised when either a constructive or legal obligation exists.

Financial instruments

The Charity only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities such as trade and other accounts receivable and payable, loans from banks and other third parties.

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the Statement of Financial Activities in other operation expenses.

Cash and cash equivalents

Cash and cash equivalents comprises cash at bank and in hand and demand deposits with banks that are short term, highly liquid investments readily convertible to known amounts of cash and that are subject to an insignificant risk of changes in value.

Catholic Diocese of Waterford and Lismore – Parishes Trust

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

Borrowing costs

Borrowing costs are recognised in the Statement of Financial Activities in the period in which they are incurred.

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or, where this is not available, at an estimate of historic cost.

Freehold buildings:

Churches, presbyteries and parish centres are regarded as specialist assets and have been included in the financial statements as at 1st January 2023 at an estimate of historic cost where details of actual historic costs were not readily available. The estimated historic cost was derived by using the retail price index to index the present insurance value (excluding any contents values) back to the date the buildings were constructed and applying rates of depreciation calculated to write off the estimated historic costs evenly over the whole of their useful lives.

The cost of new functional Diocese property, improvements and contents is capitalised and is being depreciated over the expected useful lives at the following rates:

	% per Annum	Years
Churches, Presbyteries, Halls and other functional property:		
- Land element	Nil	-
- Building element	1.0	100

Additions to freehold land thereafter are recorded at cost and are not subject to depreciation.

Historic/heritage assets

Works of art, historic treasures and plates purchased prior to 1st January 2021 are considered to be historic assets as they are held in accordance with the objects of the Charity with a policy of long-term retention. Reliable cost information is not available and therefore, in accordance with the SORP, these assets have not been capitalised. Assets of this nature purchased since 1st January 2021 have been treated in line with the policy outlined in "Fixed assets other than property" below. The Charity does not seek to actively acquire or dispose of such assets in their possession. The amount spent during the year was nil.

Fixed assets other than property

Individual assets with a cost of less than €5,000 are not capitalised.

Where fixed assets other than property were acquired over eight years ago, a nil value has been assigned on the basis that these assets would have been fully written down prior to 1st January 2021. Any assets purchased within the last eight years have been recorded at original cost.

The cost of motor vehicles, Diocesan office equipment and fixtures and fittings is depreciated over their expected useful lives, at the following rates:

Furniture, equipment & fittings 12.5% Straight line

Computer equipment 25% Straight line

Motor vehicles 20% Straight line

Investments

Investments held as fixed assets are stated at cost less provision for any permanent diminution in value. Income from other financial fixed asset investments together with any related withholding tax is recognised in the income and expenditure account in the financial year in which it is receivable.

Debtors

Debtors are recognised at the settlement amount due after any discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Income recognised by the Charity from government agencies and other co-funders, but not yet received at financial year end, is included in debtors.

Cash at bank and in hand

Cash at bank and in hand comprises cash on deposit at banks requiring less than three months' notice of withdrawal.

Taxation

The Diocese is a registered Charity and is therefore exempt from taxes on income.

Catholic Diocese of Waterford and Lismore – Parishes Trust

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

Research and development

Research expenditure is written off to the income and expenditure account in the financial year in which it is incurred. Development expenditure is written off in the same financial year unless the Trustees are satisfied as to the technical, commercial and financial viability of individual projects. In this situation, the expenditure is deferred and amortised over the period from which the Charity is expected to benefit.

Related parties

The notes to the accounts should make the disclosures required by section 33 of FRS102 in relation to related parties and key management personnel. A related party, for this purpose, is

- a person who has the power to participate in the financial and operating policy decisions of the Charity or of that segment of the Charity whose financial affairs are within the ambit of the statement of accounts, or
- a member of the key management personnel of the Charity i.e. all persons having authority and responsibility for planning, directing and controlling the activities of the Charity, directly or indirectly.

3. SIGNIFICANT ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of these financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses.

Judgement and estimates are continually evaluated and are based on historical experiences and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The Charity makes estimates and assumptions concerning the future. The resulting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Establishing useful economic lives for depreciation purposes of tangible fixed assets:

Long lived assets, consisting primarily of tangible fixed assets, comprise a significant portion of the total assets. The annual depreciation charge depends primarily on the estimated useful economic lives of each type of asset and estimates of residual values. The Finance Committee regularly review the assets useful economic lives and change them as necessary to reflect current thinking on remaining lives in light of prospective economic utilisation and physical condition of the assets concerned. Changes in asset useful lives can have a significant impact on depreciation and amortisation charges for the period. Details of the useful economic lives is included in the accounting policies.

Recoverability of debtors - Providing for doubtful debts:

The Charity makes an estimate of the recoverable value of trade and other debtors. The Charity uses estimates based on historical experiences in determining the level of debts, which the Charity believes, will not be collected. These estimates include such factors as the current credit rating of the debtor, the ageing profile of debtors and historical experience. Any significant reduction in the level of debtors that default on payments or other significant improvements that resulted in a reduction in the level of bad debt provision would have a positive impact on the operating results. The level of provision required is reviewed on an on-going basis.
