A little bit of salt can bring out the flavour of food. This week, try making people's days a little better, by smiling, saying nice things to them and being helpful! You'll be amazed the difference it can make!

MY SAINT FRIENDS

OUR LADY OF
LOURDES
11th February

Did you know that in 1858 Our Lady appeared to a little French girl called Bernadette Soubirous in France in a little town called Lourdes? She encouraged us through messages given to Bernadette to pray the rosary. A miraculous spring which started flowing during the apparitions still flows today and over 5 million people visit Lourdes every year!
